

The virtual U3A (vU3A) went live in January 2009.

It is an online-only U3A affiliated to the Third Age Trust.

One of its principal aims is to provide the U3A experience for those who are rendered isolated in some way by circumstances or geography and unable to play a full part in a terrestrial U3A.

More information is available on the public website www.vu3a.org where you can also apply for membership (£12 a year). Why not pay it a visit?

The vU3A already has an active membership and is currently seeking to increase this with the hope of expanding the range of activity groups in operation.
